

RETAIL ORTHOPEDIC BRACING & SUPPORTS

AMERICA'S FIRST ORTHOPEDIC COMPANY

PRODUCT CATALOG

BRAND OVERVIEW

Bell-Horn®

America's First Orthopedic Company.

Bell-Horn is an industry leader you can count on for the highest quality and competitively priced products, complimentary marketing support and outstanding service.

PROVEN INDUSTRY LEADER

Experience matters. Since 1842, Bell-Horn has offered a full-line of both cash-pay and reimbursable orthopedic bracing and supports. Today, Bell-Horn continues to build on this tradition, offering a comprehensive portfolio of innovative products to service the needs of our customers.

INNOVATIVE PRODUCT MIX

The innovative product designs, no matter if they're sized or universal, are easily fit and adapted to provide comfort and help relieve pain. Manufactured with quality materials on the market,

and unique materials like our Pro Style® neoprene, Bell-Horn products are built to last.

OUTSTANDING SERVICE

We pride ourselves in helping our partners succeed. Our seasoned sales team members are valuable resources with their wealth of industry knowledge and merchandising expertise. High impact packaging, pre-designed planograms and complimentary marketing and merchandising tools help drive referrals and increase in-store conversions and revenue.

DJO Global® – Bell-Horn's parent company—is committed to providing the best in customer experience at all times.

As your trusted single-source for a competitive line of orthopedic products, Bell-Horn makes it easy for you to efficiently build your business.

NECK

UNIVERSAL CERVICAL COLLAR

Medium density universally-sized foam collar to provide consistent support across a wide range of neck widths. Comfortable for night-time wear.

DESIGNED FOR: Supporting the cervical spine in neutral position, helping to relieve muscle tension and support for minor neck pain or injuries (including whiplash).

Part Number	Size	Neck Circum.	Height
199-2	UNIVERSAL	13-19"	2"
199-2.5	UNIVERSAL	13-19"	2.5"
199-3	UNIVERSAL	13-19"	3"
199-3.5	UNIVERSAL	13-19"	3.5"
199-4	UNIVERSAL	13-19"	4"

NOTE:
Measurement: Height from sternal notch to chin

SHOULDER

DELUXE SHOULDER IMMOBILIZER

Wraparound rib band with shoulder strap helps provide support and protection. Elastic wrist and humeral cuffs are sewn to rib band and are adjustable with contact closure for ease of application.

DESIGNED FOR: Immobilizing the shoulder in post-traumatic or post-surgical conditions.

Part Number	Size	Rib Circum.
BH84100	UNIVERSAL	UP TO 52"

ABDOMINAL & RIB

ABDOMINAL SUPPORT

Three panel elastic abdominal support with soft cotton flannel lining for comfort. Three panel design provides uniform compression, and helps prevent panel rolling. Contact closure for ease of application and adjustments.

DESIGNED FOR: Compression and support for strains and weakness of the abdominal area, including post-natal or post-surgical applications.

Part Number	Size	Waist Circum.
167	S/M	30-45"
168	L/XL	46-62"
169	2/3X	63-78"

R P

ELASTIC RIB BELT FOR MEN

6" elastic single breathable panel belt. Contact closure for ease of application.

DESIGNED FOR: Compression and support for fractures and strains to the rib cage.

Part Number	Size	Rib Circum.
BH89050	UNIVERSAL	28-50"
BH89051	2X/3X	50-60"

R P

ELASTIC RIB BELT FOR WOMEN

6" elastic single breathable panel belt. Contact closure for ease of application.

DESIGNED FOR: Compression and support for fractures and strains to the rib cage.

Part Number	Size	Rib Circum.
BH89060	UNIVERSAL	28-50"
BH89061	2X/3X	50-60"

R P

MATERNITY SUPPORT

Lifts and supports your abdomen and transfers the weight evenly and comfortably to help reduce strain on soft tissue across the back, hips, and abdomen. Adjustable to expand as your pregnancy progresses, and low profile to wear discretely under clothes. Made with soft elastic, not made with natural rubber latex.

DESIGNED FOR: Helps to relieve lower back discomfort during pregnancy.

Part Number	Size	Pre-Pregnancy Dress Size
319S	S	3 - 8
319M	M	9 - 14
319L	L	15 - 18

BH89189-10	3X	56-62"

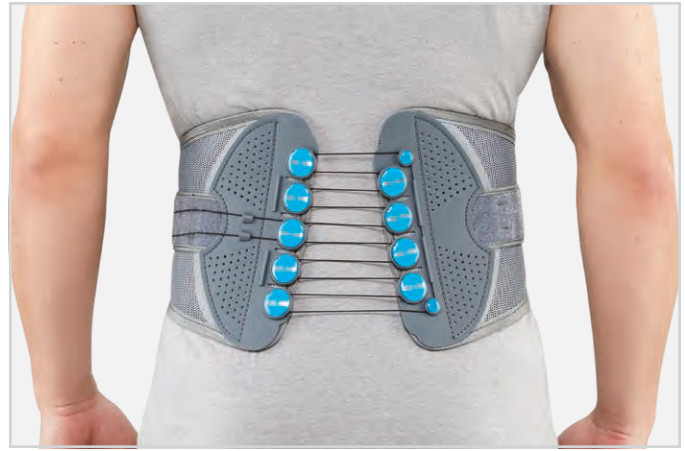

R P

PULL-IT™

Universal design and comfortable fitting brace helps reduce the amount of stress and strain on your back allowing you to return to your active lifestyle. Easy pull adjustments are designed to provide controlled, comfortable and custom level of compression. Low profile design and fit allows for wear during activities.

DESIGNED FOR: Provides relief of discomfort associated with strain and sprains; aids in proper alignment while sitting and standing for prolonged periods of time.

Part Number	Size	Waist Circum.
99505	UNIVERSAL	32-51"

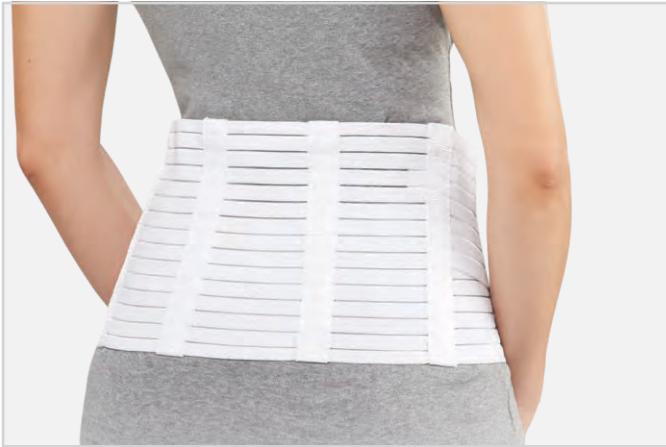

R

SPINE BRACE

Ergonomically shaped lightweight panels and flexible pulley system help provide support and compression while comfortably contouring and conforming to the patient's body. Low-friction flexible pulley system has a quick, one-hand adjustment design to provide controlled, comfortable and custom level of compression.

DESIGNED FOR: Provides relief of discomfort associated with strain and sprains; aids in decompression of the spine and in proper alignment while sitting and standing for prolonged periods of time.

ARM

DENIM ARM SLING W/SHOULDER PAD

Over-sized denim cradle arm sling with contact closures to adjust the length of the envelope. Designed for easy, fast and simple application with D-rings and contact closures.

DESIGNED FOR: Cast support, or injury to the arm, wrist or hand.

R P

Part Number	Size	Length
324	UNIVERSAL	UP TO 16"

NOTE:
Measurement: Length from elbow crease to base of index finger

R P

CRADLE ARM SLING

Cotton/poly construction with web strap and contact closure. Generous size envelope to support the arm. Adjustable and universal design to fit most patients. Thumb loop helps prevent migration and shoulder pad for comfort.

DESIGNED FOR: Cast support, or injury to the arm, wrist or hand.

Part Number	Size	Depth	Length
196	ADULT	8.5"	17.5"
197	YOUTH	7.5"	12.5"

R P

ARM SLING

Durable cotton/poly material, double O-rings and contact closure shoulder strap for proper adjustment. Contact closure adjustment on envelope accommodates sizing for most patients. Features a soft padded shoulder strap.

DESIGNED FOR: Cast support, or injury to the arm, wrist or hand.

Part Number	Size	Depth	Length
99380	UNIVERSAL	7"	18"

ELBOW

TENNIS ELBOW SUPPORT STRAP

Helps to provide comfortable, firm support and compression to the arm tendon. Features an easy to adjust contact closure.

DESIGNED FOR: Medial epicondylitis (Golfer's elbow) and Lateral epicondylitis (Tennis elbow).

R **P**

Part Number	Size	Forearm Circum.
194	UNIVERSAL	UP TO 17.5"

R P

BANDIT™ THERAPEUTIC FOREARM BAND

Features a unique design consisting of two plastic plates curved to the shape of the forearm. These plates have soft cushioned neoprene on the insides. This arm band is ideal for sports, work, and home use.

DESIGNED FOR: Sprains, strains, tendonitis, and Lateral epicondylitis (Tennis elbow), Carpal Tunnel Syndrome.

Part Number	Size
357	UNIVERSAL

R P

ELASTIC ELBOW SUPPORT - BEIGE

Compressive support to help relieve minor elbow strains, sprains or swelling. Made with surgical material and seamless edges designed for comfort and durability.

DESIGNED FOR: Minor strains, sprains and edema.

FAST FREEZE®

Naturally Cool

Naturally Cool, Fast Acting Pain Relief. Fast Freeze® is an alternative to pain medication helping to deliver pain relief where it's needed most. The topical analgesic delivers soothing, penetrating pain relief from sore muscles and joints, backaches, and arthritis. Fast Freeze is a colorless formula that is 100% paraben free.

Natural ingredients include: Menthol, Aloe*, Ilex*, and Vitamin E*. Menthol: Derived naturally from peppermint oil, Menthol is a very mild local anesthetic which can be applied directly to the skin delivering a cool sensation to the applied area. Menthol offers short-term relief for aches associated with arthritis as well as general muscle sprains and other similar conditions. Aloe: Dried leaf juice from the aloe plant. Ilex: Herbal extract from the holly plant. *These ingredients are inactive.

CUSTOMER CARE

In addition to fast and accurate delivery, you can expect a friendly and knowledgeable Customer Care Representative to take your order and answer any questions for Bell-Horn® products. We look forward to serving you between the hours of 6 a.m. – 5 p.m. PST.

HOW TO ORDER

To order, contact Customer Service by:

Phone: 1-800-226-4799

Email: [Bellhorn@djoglobal.com](mailto:bellhorn@djoglobal.com)

Fax (24 hours): 1-800-936-6569

Product Specialists: 1-888-405-3251

Contact the DJO® Product Specialists for assistance with brace recommendations, brace fitting and application, troubleshooting, and for product instruction.

QUESTIONS WE WILL ASK

Your Account Number. If you do not know your account number, the representative will be happy to look it up for you. Please state the product number, size and quantity (description if available).

SHIPPING

Standard Product Orders* received before 1 p.m. Pacific Standard Time will be shipped within 72 hours and can be shipped for overnight delivery.

For order tracking, go to: www.djoglobal.com/tracking

**Standard Product Orders off the shelf items.*

SPECIAL REQUIREMENTS

The majority of orders will ship within 24 hours. Please contact Customer Care for product details.

WARRANTY

Products have a limited warranty from the date of purchase against defects in materials and workmanship. Warranty varies with some products. Please contact Customer Care with specific questions.

RETURN POLICY

Before returning or exchanging any product, please call a Customer Care Representative for a Return Authorization Number. They will assist you with product specific return policies. Non-warranty returns will be accepted within 180 days from date of purchase and will be subject to a 15% restocking fee.
